### Assessment

#### Q1. Why should you be hired for this role?

I'm interested in this internship because I can see that, in this role, my skills could help solve this problem within your company. I also see an opportunity for me to learn and grow these skills, so we both would benefit personally, professionally, and financially. If I can come in here and solve problems and accomplish your goals, I know I can develop my career the way that I want to. Having an open mindset, am eager to learn new thing what organisation will teach me and also using my skills & knowledge of Marketing . I think i would be the best fit for this organisation..

#### Q2. Are you available for 6 months, starting immediately, for a full-time internship at Mumbai or Mira Bhayandar? If not, what is the time period you are available for and the earliest date you can start this internship on? Please also mention your preferred location.

I am available full time in mumbai for the next 6 months.
